Residential on 0.07 Acres

Rocky Mtn House, Rocky Mountain House, Alberta

Charming 4-bedroom, 2-bathroom bi-level half duplex that offers a great combination of space, comfort, and convenience. This home was built in 1990 and features a fully developed layout. You'll find four spacious bedrooms and two bathrooms, including a 4-piece bathroom on the main floor and a 3-piece bathroom in the basement. There's also a handy laundry room downstairs. The west-facing living room is a cozy spot and has its own private balcony, perfect for enjoying the evening sunsets. Plus, you'll have the added convenience of off-street rear parking. One of the best things about this property is its location – it's just four blocks away from Main Street, putting you within easy reach of all the shops, restaurants, and amenities that Rocky Mountain House has to offer, while still being situated in a quiet neighborhood. The bright and open living areas make it ideal for families, roommates, or even as an investment property. This is an excellent chance to own an affordable home or rental in a sought-after location.

Built in 1990
