Edson, Edson, Alberta

Pride of ownership is evident in every corner of this home. The kitchen, dining and living area are open concept and perfectly decorated to feel warm and inviting. The kitchen cabinets have been professionally sprayed and some of the appliances are new in the last few years including the fridge, gas stove, microwave hood fan and both washer and dryer with pedestals. This home has air conditioning too! The primary bedroom is a calm retreat and includes an ensuite bath and walk in closet. The secondary bedrooms are a good size and located by the main bath. The real show stopper is outside where there is a 10' x 43' deck, pergola, Serenity Hydro Pool 6 person hot tub with a 10' x 12' metal roof gazebo. Unwind after a long day in this private, relaxing space. There is also a shed, perennial flower beds, a fenced yard with double gates and parking for a side by side or motorbikes. This home was leveled, had new skirting done and a new roof in 2020. This gorgeous property must be seen to to understand how special it is!
