Residential on 0.30 Acres

Old Rodeo Grounds, High River, Alberta

This 1857 sq ft fully finished bungalow is in a prime SW location on a beautifully landscaped double lot with over 13,000 square feet. Upon entrance, the spacious foyer opens to the large living room that overlooks the back yard and has an original wood fireplace with gas insert. The open 22' x 18' kitchen has granite counters, custom cabinets to the ceiling, a large island, and a dumbwaiter to the basement behind a push panel. This level is flooded with natural light, has real hardwood flooring, a 4-piece bath and 3 bedrooms, including the 18' x 11' primary that has a 3-piece ensuite. The basement has maple wood paneling, 2 bedrooms and a den, massive rec room with another fireplace, and 3-piece bathroom. There is direct access from a side door and with proper town approval and permits, there is excellent suite potential. This lot cannot be matched with its mature landscaping and stunning SW view from the back yard and porch. Extras in this family home include two sun tubes, on-demand hot water, individual high efficiency furnaces on each level, and a few newer windows. There is also a covered carport and a detached, heated, and insulated garage. If you're looking for location, views and privacy, this is the home for you.
