Residential on 0.07 Acres

Parsons North, Fort McMurray, Alberta

Welcome to 149 Collicott Drive – a thoughtfully designed duplex featuring a desirable attached 22x23 garage, an upstairs bonus room, a one-bedroom legal suite, and a modern aesthetic that offers both comfort and flexibility for homeowners and investors alike. The front driveway provides parking for two vehicles and leads to the attached double garage, while a convenient side entry offers direct access to the suite for added privacy. Inside, the main level is open concept and showcases a stylish kitchen with quartz counters, a two-toned cabinet design, a large island, and a walk-through pantry that connects to the garage entry. A striking hexagon backsplash and stainless steel appliances, including a microwave new in 2024, complete the space. The living and dining areas flow seamlessly together and open onto a fully fenced backyard with a deck, gas line for a barbecue, and welcoming neighbours all around.

Upstairs, the bonus room provides additional living space, joined by three bedrooms and the convenience of laundry on the same floor. The primary retreat features a walk-in closet and an ensuite with dual sinks, while the remaining bedrooms are spacious and bright.

The fully finished basement is a legal suite, currently rented for \$1,300/month. It includes a full kitchen with appliances, laundry, a generous living area, and a four-piece bathroom. A selection of furniture can remain, making it turnkey for the next tenant.

With two furnaces, central AC, and a hot water tank, the home is designed for efficiency and year-round comfort. Located in Parsons Creek North near parks, trails, schools, and the soon-to-come shopping plaza, this property is the perfect blend of modern living and income potential.
